

Shelby City Schools Cafeteria Charge Policy

We understand that occasionally children may forget their lunch money therefore we allow cafeteria charges for milk, school breakfast, and school lunch. Students are not permitted to charge a la carte items including second helpings if they owe money on their cafeteria account.

The Food Service Department cannot carry extraordinary negative balances for students therefore when a student reaches a level where they owe \$25.00 or more (\$4.00 for those on reduced price meals), the student will not be permitted to purchase any extra ala carte items. If a student has extra money, we expect that money to go toward their charges.

If you need to make special arrangements regarding the charge policy please call the food service director, Kelly Stanford, at 419-342-6581 ext. 8.

To find out if your family might qualify for meal benefits to help pay for school meals please ask your school secretary for a form, fill it out, and send it to school as soon as you are able. Thank you.
