ARTICLE 6 – UNION SECURITY

- 6.01 The Shelby City Board of Education or any of their department division heads or supervisors will make no change in wages, fringe benefits, or other conditions covered by this agreement which would affect the bargaining unit, without approval of the Union.

ARTICLE 7 – GRIEVANCE PROCEDURE

7.01 Objective – The objective of this procedure is to secure at the lowest possible administrative level, in the shortest time, equitable solutions to grievances. Proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure. All grievances shall be presented promptly after the event giving rise to the grievance.

Definitions

7.02 A grievance is an alleged violation, misinterpretation, or misapplication of the expressed provisions of the negotiated agreement.

7.03 A day shall be defined as a week day (Monday through Friday), excluding weekend days, legal holidays, and/or the employee's approved vacation days.

7.04 The aggrieved shall be defined as an employee, group of employees, or the Union filing the grievance.

Procedure Rules

7.05 The aggrieved shall have the right to local union representation at all meetings and hearings involving a grievance.

7.06 The Union has the right to file grievances and to be present for the adjustment of any and all grievances filed at Level I, II, III, or IV.

7.07 The number of days indicated at each level shall be considered a maximum. The time limits specified may, however, be extended by mutual agreement confirmed in writing.

7.08 Failure of the aggrieved to proceed within the specified time limits to the initial level or any subsequent levels will result in the grievance being waived and rendered void and may not be re-filed.

7.09 Failure of the administration to respond to the time limit stated shall mean the grievance progresses to the next level.

7.10 A grievance shall be filed at the appropriate level, which is with the level of administration whose action prompted the grievance.

7.11 A grievance reduced to writing shall include: (a) provisions of the agreement allegedly violated; (b) a description of what occurred and when it occurred; (c) relief sought; and (d) date of initiating procedure. (See Appendix G for grievance form)

7.12 Forms for processing grievances shall be made available through designated officials of the Union or the superintendent's office.

- 7.13 All documents, communications, and records dealing with the processing of a grievance, if retained, will be filed separately from the personnel files of the participants except to the extent such documentation is necessary for the implementation of the grievance award.
- 7.14 No reprisals shall be taken against any party because of their involvement in the use of the grievance procedure.
- 7.15 Resolution of a grievance at any level shall apply to the stated grievance and shall in no way infringe on the statutory obligations or other policies of the Board, unless mutually agreed to by the parties.
- 7.16 A grievance may be withdrawn at any level by the Union without prejudice or precedent and would be considered resolved.

Informal Procedure

- 7.17 Bargaining unit members are encouraged to consult with a SASS representative prior to initiating discussion with their assigned supervisors. An employee having a complaint or problem shall first discuss the matter informally with the district administrator who is the source of the complaint, if known, through normal channels of communication with the sincere intent of solving the problem through informal discussion. If the source is unknown, the employee shall discuss the matter with his/her immediate supervisor. The grievant will inform that administrator that the discussion is the informal level of the grievance procedure. For this section only (7.17), Section 7.05 shall be subordinate to the application of providing representation by the grievant informing the SASS representative to be on call in the event the grievant desires his/her presence at the remainder of the informal discussion.

Formal Procedure

Level I – Principal/Supervisor (Written)

- 7.18 If the informal discussion does not resolve the employee's problem, he can then put his complaint in the form of a written grievance and submit it to his immediate supervisor or building principal. If the building administrator/supervisor does not have the authority to grant the relief requested, the building administrator/supervisor shall initial and date the grievance form, and the grievant shall file the grievance form at Level II of this procedure. This written grievance must be submitted no later than fifteen (15) days after the day of the alleged violation or within fifteen (15) days of when the grievant knew or, in the exercise of reasonable diligence, should have known of the violation or the grievance will be considered waived and rendered void and may not be refiled.
- 7.19 A meeting shall be mutually agreed upon between the aggrieved and the supervisor no later than five (5) days after the day the grievance is filed. A Union representative and a Board representative may also be present at the meeting.

- 7.20 Either the aggrieved or the supervisor may have present such people who may provide information related to the grievance. Discussion at this meeting shall be confined to the issues as stated in the grievance and the relief sought.
- 7.21 No later than five (5) days after the day of the meeting, the administrator shall provide an answer to the grievant with a copy to the Union president and the superintendent or his designee.

Level II – Superintendent (Written)

- 7.22 If the aggrieved is not satisfied with the answer received in Level I, he may, within five (5) days after the day of receipt of such written answer, submit the written grievance to the superintendent and request a meeting to discuss the grievance.
- 7.23 The meeting between the aggrieved and the superintendent shall be held no later than five (5) days after the day of the request. A Union representative, the principal and/or supervisor, and a Board representative may also be present. The meeting shall be conducted in a manner as stated in Level I. No later than five (5) days after the day of the meeting, the superintendent shall provide the aggrieved with a written answer to the grievance with a copy to the Union president.

Level III – Board of Education (Written)

- 7.24 If the action taken by the superintendent or his designee does not resolve the grievance to the satisfaction of the employee, such employee may submit an appeal in writing to the Board of Education. The notice of appeal shall be sent to the superintendent and the treasurer of the Board. Failure to file such appeal within five (5) working days from receipt of the memorandum of the superintendent or his designee's action on said grievance shall be deemed a waiver of the right to appeal. Either the Board or the Association shall have the right to waive the Board of Education step. Such waiver shall be put in writing to the other party.
- 7.25 The superintendent or his designee shall place the matter on the agenda for the next regular meeting of the Board of Education or at a special meeting of the Board if the parties involved feel that expediency should be served. The hearing before the board shall include the Board, the grievant, and upon the employee's request, counsel or a Union representative, the superintendent or his designee and a Board representative. The hearing shall be in private (executive session) unless both parties to the grievance request a public hearing. The Board shall act upon such grievance within ten (10) working days from the date of the hearing before the Board.

Level IV – Binding Arbitration (Written)

- 7.26 If the aggrieved is not satisfied with the answer received in Level III, the Union may, within ten (10) days of such written answer, make written notice to the Board that the grievance is being submitted to arbitration.
- 7.27 The arbitrator shall be selected by the Union and the superintendent.

- 7.28 If the Union and the Board cannot agree on an arbitrator within ten (10) days after the date the notice for arbitration has been submitted, the arbitrator shall be selected from the American Arbitration Association (AAA), according to its voluntary rules and regulations.
- 7.29 The arbitrator shall hold such meetings as he/she determines necessary to make a fair and impartial ruling on the grievance as stated.
- 7.30 The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the losing party. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.
- 7.31 The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any terms of the written provisions of this agreement or imply obligations and conditions binding upon the parties from this agreement except as set forth herein.
- 7.32 The arbitrator shall not decide more than one grievance on the same day or series of hearing days except by mutual agreement between the parties.
- 7.33 The ruling of the arbitrator shall be made in writing to the aggrieved, the Union and the superintendent, and shall be binding on all the parties to the limit of the grievance as stated.

ARTICLE 8 – SENIORITY

8.01 Seniority Defined

Seniority shall mean the uninterrupted length of continuous employment in a bargaining unit position as follows:

- A. Seniority shall begin to accrue to an employee from the first day worked in the present classification.
- B. Seniority shall accrue for all time an employee is on active pay status or is receiving worker's compensation benefits.
- C. Time spent on inactive pay status (e.g., unpaid leave of absence) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
- D. Full-time employees shall accrue one (1) year of seniority for each year employed (working a minimum of 120 days during the period from July 1 to June 30 of each school year). Part-time employees shall accrue seniority on a prorated basis determined by dividing the average number of hours worked per day by the number of hours worked by full-time employees in their job classification.
- E. No employee shall accrue more than one (1) year of seniority in any one (1) work year.

8.02 Equal Seniority

A tie in seniority shall occur when two (2) or more employees in the same classification have the same amount of seniority credit as determined by the seniority list. Ties in seniority shall be broken by the following method to determine the most senior employee.

- A. The employee with the first day worked for the Board; then
- B. The employee with the earliest date of hire into a bargaining unit position by the Board; then
- C. By lottery, the employee whose name is drawn first will have the most seniority, etc. This procedure shall be implemented in the presence of designated Union representatives.

8.03 Loss of Seniority

Seniority shall be lost when an employee retires or resigns; is discharged for cause; does not complete his/her probationary period; or is otherwise removed from the recall list as stipulated in Article 10, Reduction in Force.

8.04 Posting of Seniority List

The seniority list shall be distributed to each employee by November 1 each year. The Board shall prepare and post in each building a seniority list indicating, by classifications, the date of application (for new hires after July 1, 1991), the first date worked and the date of Board hire. Such list shall be provided to the Union president at least five (5) days before the date of distribution.

The names of employees on the seniority list shall appear in seniority rank order in each classification. The name of the most senior employee shall appear at the top of the listing and the name of the least senior employee shall appear at the bottom of the listing.

8.05 Correction of Inaccuracies

Each employee shall have a period of ten (10) days after the distribution of the seniority lists in which to advise the Board or its agent(s) and the Union, in writing, of any inaccuracies which affect the employee's seniority. The Board or its agent(s) shall investigate all reported inaccuracies and make such adjustments as may be in order and shall post the updated seniority lists immediately. No protest shall be considered after ten (10) days of the distribution of the seniority lists and the lists shall be considered as final until the next seniority posting.

ARTICLE 9 – VACANCY/BID PROCEDURE

9.01 Vacancies

When a vacancy occurs in any classification in the bargaining unit, as determined by the Board, it shall be posted for a period of five (5) workdays, said posting shall be placed in a conspicuous place in each building where employees work and school Districts website.

In filling vacancies, the following shall apply:

- A. The qualifications of candidates shall be determined by the Board through an assessment based on, but not limited to, the following: (1) interviews, (2) testing, (3) work experience, (4) evaluations, (5) prior training and (6) attendance. Qualifications include the ability to perform the job duties as listed in the posting and job description.
- B. The vacancy will first be offered to the most senior qualified internal applicant within the classification grouping of the vacancy, based upon the qualifications criteria prescribed in Section 9.01(A) above.
- C. If the vacancy is not filled with an employee in the same classification grouping, it will be offered to the most senior qualified bidder in any classification grouping in the district. Seniority will be determined by the provisions of this agreement.
- D. If no qualified internal applicant applies, the Board may fill the position with an outside applicant.
- E. Seasonal/Summer Work
 - 1. Seasonal/summer work is not considered bargaining unit work. Seasonal work is scheduled as needed at the discretion of the Board.
 - 2. The rate of pay shall be in accordance with summer rates as established by the Board of Education for summer/seasonal help except it is agreed that bargaining unit members shall be considered to have experience.
- F. Notwithstanding the provisions above, postings of vacancies shall be made on a one-time only basis if position is filled within the same classification. Any bargaining unit member who applies for a vacancy under these provisions will automatically be considered to have applied for any subsequent vacancy that results from the original posting described herein.

9.02 New Positions

New positions shall be posted in each building where employees work, for a period of five (5) days, together with a description of duties and salary range. Bids for new positions within the bargaining unit will be considered in the manner described in paragraphs “A” through “D” above.

If an employee is out sick or on vacation during the entire period of the posting, the Union president may submit a bid for that employee on the new position.

9.03 Probationary Period

A new employee appointed to fill a vacancy or a newly created position shall serve a probationary period of one hundred eighty (180) workdays or the number of days in the employee's regular work year, whichever is greater.

9.04 Trial Period

- A. An employee appointed to fill a vacancy or a newly created position shall serve a probationary period of seventy-five (75) workdays. During the probationary period, the Board shall have the right to return the employee to the same or equivalent position held at the time of the change in position.
- B. Also, during the probationary period, the employee shall have the right to request in writing within fifteen (15) workdays to return to the same position held prior to the change in position, and the employee will be returned to a job which is the same or equivalent to his or her previous assignment. An employee who requests to return to his or her previous assignment shall not be subject to discipline nor discriminated against in any way as a result of having tried in good faith to perform the duties of the new position. Any employee bumped as a result of an employee returning to the same or equivalent prior job will be returned to the same or equivalent job previously held.

9.05 Unable to Perform Duties

The Board retains the authority to reassign the employee to a position comparable to his or her former position within one hundred eighty (180) workdays if the employee is unable to successfully perform the duties of the new assignment.

9.06 Content of Postings

All postings shall consist of the estimated hours, salary range, job title, location and shift, if known. A current job description will be attached to the posting.

ARTICLE 10 – REDUCTION IN FORCE

10.01 Reduction

If it becomes necessary to reduce the work force, reduction shall be accomplished through layoff of employees in reverse order of seniority. A reduction in force (RIF) shall occur only for the following reasons:

- lack of work
- abolishment of positions

- return of an employee from leave of absence
- suspension of schools or territorial changes affecting the district
- lack of funds

The Board will attempt to keep the number of employees affected by the reduction in force to a minimum by not employing replacements for employees who resign, retire, or otherwise vacate a position within the affected job classification grouping.

Whenever it becomes necessary to layoff employees for reasons as stated above, employees shall be laid off according to seniority within the affected job classification grouping, with the least senior employee laid off first. Seniority shall be defined pursuant to Article 8.

10.02 Effective July 1, 2000, all employees will not have their work hours reduced below their existing level as of such date subject to the following:

Notwithstanding any of the above, if any vacancy were to occur that the Board intends to fill, the Board does have the express right to reduce the hours of such position prior to filling the position. The Board will provide notice to SASS of such change prior to making the change. The Board, however, will not need to bargain such decision with SASS and such decision is grievable.

10.08 Recall

- A. Order – Employees shall be recalled in reverse order of layoff. Recall notices shall be sent by certified mail or hand delivered to the last known address as listed in the employee’s personnel file. It is the duty of the employee to notify the superintendent of any change of address.
- B. Notice – A laid off employee shall have seven (7) calendar days from receipt of the recall notice to accept the recall by sending an acceptance or rejection to the superintendent by certified mail or by hand delivery. A failure to respond to recall in writing within seven (7) days of receipt of notice will terminate all right to recall.
- C. Return – Recalled employees shall return to work no later than the tenth workday after the postmarked date of the recall notice. If an employee is unable to return to work on or before the tenth day for health reasons, the employee must submit written certification from a physician in order for the employee to remain on the recall list. If an employee is unable to report to work because of health reasons, the employee’s name will be recalled to the next available position, if their health permits them to perform the job. Nothing in this provision should be interpreted as extending the two-year recall period.
- D. Benefits – An employee who accepts recall to employment shall return to the system with the same seniority date and sick leave accumulation as the employee held on the date of layoff plus a pay increment if the employee completed one hundred twenty (120) workdays of service in the year of layoff.

- F. List – For each classification in which the layoff occurs, the Board shall prepare a recall list. The list shall place, in reverse order of layoff in each classification, the names of all laid-off employees. Recall shall be offered to employees on this list before any employees new to the bargaining unit are hired in the affected classification.
- G. Vacancies – Vacancies which occur during the period of reduction in force shall first be offered to the members within that classification starting with the most senior person until the job is filled, before going outside of the classification. Remaining vacancies shall be offered in writing to the employee standing highest on the appropriate recall list before the next person on the recall list is considered. Each employee who has been laid off will be responsible for keeping the Board advised of his/her current mailing address and telephone number.

10.09 Layoff Rights

An employee on layoff status shall have the following rights:

The right to retain previously earned seniority credit during the period of layoff. However, additional seniority does not accrue for the period of time spent on a recall list.

The right to be sent notices by mail of all postings for bargaining unit positions.

ARTICLE 11 – PERSONNEL RECORD FILE

- 11.04 Acknowledgement – An employee/bargaining unit member shall acknowledge that he/she has read the material by affixing his/her signature to the material. His/her signature shall not indicate agreement with the content of the material, but indicates only the material has been inspected by the employee/bargaining unit member. The employee/bargaining unit member shall receive a copy of the material at this time.
- 11.05 Reply – He/she shall also have the opportunity to reply to such critical material in a written statement to be attached to the file copy.

- 11.06 Stale Materials – Written reprimands and/or critical letters or those of a disciplinary nature, contained in the file shall not be the basis of any discipline action, providing that three (3) years have elapsed from any same or similar occurrence after the effective date of the document, but such materials may be used to establish past conduct and practices of the employee/bargaining unit member.
- 11.07 Anonymous Items – Anonymous letters or materials shall not be placed in the employee/bargaining unit member’s file.
- 11.08 Review – Each employee/bargaining unit member shall have the right, upon reasonable request, to review the contents of his/her own personal file. A representative of the Union may, at the employee’s/bargaining unit member’s request, accompany the said employee/bargaining unit member in such a review. Such review shall be made in the presence of the superintendent or his/her designee if deemed appropriate by the superintendent.

No material may be removed from the file without the express written permission of the superintendent. An employee/bargaining unit member shall be entitled to a copy of any material in his/her file at the employee/bargaining unit member’s expense.

ARTICLE 12 – LEAVES

(Leaves With Pay)

12.01 Sick Leave

- A. All full-time employees in the bargaining unit shall be granted annually fifteen (15) days of sick leave, which shall accumulate at the rate of one and one-fourth (1 1/4) days for each calendar month. Part-time employees, as defined in this agreement, shall accrue sick leave on a prorated basis for the time accrued, calculated in the same manner as the ratio of sick leave granted to hours of service established by O.R.C. §124.38. The maximum number of days so accumulated shall be 280 days.

- B. All employees new to the bargaining unit and who do not have sick leave days accumulated from other public service employment shall be advanced five (5) of their allotted fifteen (15) days as of the first official day of the work year. If an employee has been advanced sick leave, he/she shall not accumulate additional sick leave, nor shall further advances be made, until the amount advanced has been repaid at the rate of 1 1/4 days for each subsequent month of completed service. If for any reason an employee resigns, or is terminated prior to the completion of a full year and has used more than the amount of sick leave he or she has earned, any excess shall be deducted from his or her final pay. Sick leave will be used in no less than one-quarter (1/4) day increments.
- C. Sick leave shall be granted for absence due to illness, injury, exposure to contagious disease which could be communicated to others, and absence due to illness or death in the immediate family. The immediate family is defined as including husband, wife, children, mother, father, stepmother, stepfather, stepchildren, brother, sister, grandparents, grandchild, son-in-law, daughter-in-law, father-in-law, mother-in-law, and any other person who, immediately preceding illness or death, has been a member of the same household as the employee.
- D. Up to five days sick leave may be approved for absence due to illness or death of a bargaining unit member's brother-in-law, sister-in-law, step-brother, step-sister, aunt, or uncle.
- E. Sick leave may also be granted for a maximum of one (1) day for the out-of-town funeral of a present or former Shelby City School employee.
- F. In the event of an employee's request for the use of sick leave for absence of five (5) consecutive workdays or more accumulated sick leave may be used upon confirmation by the employee's physician that it is medically necessary and notification of that advice to the administration. The employee's request shall include a statement of the expected duration of time needed for leave.
- G. 1. Beginning after the 15th sick leave day used, and at the discretion of the appropriate administrator, for each day used thereafter in one (1) fiscal year the bargaining unit member shall accompany their sick leave **request** with a confirmation statement by the member's physician that it was medically necessary for the member to have missed the work day.
2. If a bargaining unit member uses all available leaves and calls in sick for a leave without pay, that member will have their pay docked for all days missed by the amounts:
- They would have earned that day
 - The pro-rated value of any stipend being paid
 - Half the cost of the substitute and related benefits to the substitute

3. The fifth day a bargaining unit member calls in sick without approved leave their employment shall be terminated.
- H. Fraudulent and/or unauthorized use of said leave shall result in loss of pay and such other disciplinary action as the Board may deem appropriate.
 - I. If an employee has missed five (5) or more consecutive workdays as the result of a medical problem, the Board of Education may require the employee to submit a statement from a physician stating that he/she is physically and/or mentally capable of returning to work.
 - J. When a bargaining unit member has exhausted all of his/her accumulated sick leave including the five advanced days and additional days are still needed, then he/she may request that the additional days be transferred from other bargaining unit members. Such request shall be in writing, indicating the reason for the request.
 - K. Upon receiving such request, the Association president shall distribute a notice to all bargaining unit members notifying them of the request. Any employee wishing to transfer accumulated sick leave to the bargaining unit member, shall submit the lower half of the form to the Board's treasurer, who will transfer the number of donated days.
 - L. Any bargaining unit member volunteering to transfer sick leave days shall:
 1. not deplete his/her own accumulation below thirty-six (36) days
 2. donate up to a maximum of ten (10) days and a minimum of two (2) days per request with a maximum of ten (10) days credited to the requesting employee.
 - M. All transferred sick leave as set forth in this Article must be approved by both the Association, through a majority of members of the executive committee, and the Superintendent.
 - N. A bargaining unit member who is using transferred sick leave will not earn additional sick leave days while receiving the transferred sick leave days. A maximum of twenty (20) days total per school year may be credited to a bargaining unit member.
 - O. When an employee changes positions and is working a different number of hours/day, his/her sick leave accumulation will be adjusted through proration (i.e., a 4-hour employee with 100 days of sick leave accumulation who transfers to an 8-hour day will have 50 days of sick leave accumulation after the transfer or an 8-hour employee with 100 days of sick leave accumulation who transfers to a 4-hour per day position will have 200 days of sick leave accumulation after the transfer.)

- P. An employee may use up to three (3) days of sick leave for the birth of a grandchild.
- Q. Employees hurt on the job shall use sick leave for the first seven (7) calendar days of missed work. After the seven (7) calendar days, the Board shall have the right to require the employee to either make a wage compensation claim through the Bureau of Workers' Compensation (BWC) or the Board may choose to continue the employee's pay with salary continuation in lieu of a BWC wage loss claim. The Board shall make a timely medical claim with the BWC.
- R. Any bargaining unit member shall be granted up to one (1) week of sick leave to be deducted from the bargaining unit member's sick leave for the purpose of being home with their newborn baby (for the non-childbearing parent). This one (1) week period will begin on the date of birth.

12.02 Personal Leave

- A. During each contract year three (3) days of personal leave shall be granted for each bargaining unit member to use for personal business that cannot be accomplished at some time other than normal school hours. Personal leave may not be used to work another job, nor to seek other employment. Personal leave may be used two (2) days consecutively. Each bargaining unit member shall not use more than one (1) personal day during the first ten (10) days or last ten (10) days of school unless approved by their immediate supervisor. Where appropriate said personal leave days shall be cumulative up to a maximum of four (4) days per school year.
- B. No more than fifteen percent (15%) of the members working in a school building may use a personal leave day on a given school day. Member usage of personal leave subject to the fifteen percent (15%) cap is on a first come, first serve basis. The Superintendent, however, may grant an exception to such fifteen percent (15%) building restriction, at the written request of a member that explains the situation, when extenuating circumstances exist for such member.
- C. Request for personal leave days shall be made at least forty-eight (48) hours in advance wherever possible, by entering in the attendance software used by the district. The Building Principal will arrange for a substitute upon approval of the personal leave request.
- D. Fraudulent and/or unauthorized use of said leave shall result in loss of pay and such other disciplinary action as the Board may deem appropriate.
- E. At the end of a given school year, a member with any unused personal leave days either may elect to cash in such day(s) at regular hourly rate for each day(s), roll over any such day(s) into a member's accumulated sick leave day cap as noted in Section 12.01, or roll over one (1) such day into personal leave for the following school year, or in any combination thereof. A member, however, only cash in or roll over such day(s) to sick leave up to a total of three (3) days in a given year. A

member wishing to do such will need to fill out a personal leave cash in/conversion form as provided by the district treasurer prior to the end of a given school year. A member cashing in such day(s) will receive the amount by the last pay period of a year in accordance with Section 809 (A) of the contract.

12.03 Assault Leave

Assault leave shall be granted to an employee who is unable to perform duties because of injury from an assault which is reasonably related to the employee's job.

A request for assault leave shall be submitted in writing to the superintendent. Falsification of a signed statement by the employee is grounds for suspension or termination of employment under Section 3319.181 of the Ohio Revised Code.

Employees may be granted assault leave as follows:

- A. The physical assault must have occurred during or as a result of the performance of work responsibilities by the involved employee.
- B. If medical attention is not required, said assault leave shall be limited to three (3) working days, plus any absence from duty as a result of litigation related to the assault.
- C. If medical attention is required, sick leave will be granted for up to seven (7) working days without charging any other type of leave, provided a licensed physician's statement stating the employee is unable to work is transmitted to the superintendent prior to the conclusion of the seven (7) working days limit.
- D. Employees assaulted on the job shall use sick leave for the first seven (7) calendar days of missed work. After the seven (7) calendar days, the Board shall have the right to require the employee to either make a wage compensation claim through the Bureau of Workers' Compensation (BWC) or the Board may choose to continue the employee's pay with salary continuation in lieu of a BWC wage loss claim. The Board shall make a timely medical claim with the BWC.
- E. The Board will pay the difference between the workers' compensation benefit (72% of salary) and the employee's full weekly salary until the Board and Union appointed doctor certifies the employee is able to return to work or the employee meets eligibility requirements for disability or regular retirement.
- F. Should workers' compensation be denied, the Board will pay assault leave for all days prior to the denial, and for a maximum of fifteen (15) days beyond the denial date. Provided, however, if such denial is because such injury was not sustained in the course of the employee's employment with the Board, such assault leave shall not exceed thirty (30) days. Additional days off would be charged to sick leave, to the extent available, or to unpaid leave in the absence of sick leave.

12.04 Jury Duty

- A. Any unit member who serves on a jury will be reimbursed by the Board for the difference between their regular salary and that received from the court concerned. Days served for such purposes will not be deducted from any other leave.
- B. The unit member will turn over to the Board treasurer the difference between the court payment and expenses for lunch and parking along with receipts for such expenditure. The cost of such lunch, including gratuity, shall not exceed **thirty** dollars \$30.00.
- C. If the employee on leave for jury duty chooses not to turn over the court payment to the Board, the employee will so notify the treasurer, and the treasurer will deduct the equivalent of one day's pay from the employee for each day of jury duty.

12.05 Military Leave

- A. All employees who are members of the Ohio National Guard, the Ohio Naval Militia, or members of the other reserve components of the Armed Forces of the United States shall be entitled to leave of absence from their respective duties without loss of pay for such time as they are in the military service on field training or active duty for periods not to exceed thirty-one (31) days in any calendar year, except that the Board rate of pay shall be calculated on the basis of the difference between the employee's full salary and compensation received for military duty.
- B. Any employee who is called into the Armed Services of the United States shall be granted leave of absence, without pay, for the period of such absence. Upon receipt of an honorable discharge or other evidence showing satisfactory completion of the period of military service, an employee shall, if physically able, be reinstated in a comparable position to the one held at the time of induction if written notice of return is made by the employee within ninety (90) days of discharge.

12.07 Unpaid Leaves

accumulated sick leave but remain unable to return to work. Requests for any unpaid leave shall be in writing. If the bargaining unit member does not return to work at the end of one year unpaid leave this shall be considered a voluntary termination of employment. Only those who are physically or mentally disabled as determined by a doctor selected by the employee and approved by the Board will qualify for this leave. This leave shall be in addition to the Family Medical Leave Act and shall be granted to those employees who have exhausted all accumulated sick leave and family and medical leave but remain unable to return to work.

- B. Upon written request, the Board, or its designee, may grant an unpaid leave of absence for reasons other than medical for a period not to exceed one year.

Should a second notice of unsatisfactory performance be necessary the employee shall forfeit any further consideration for overtime for the remainder of the work year.

B. Overtime is defined as employment above and beyond the regular forty hour workweek which the superintendent or his designee deems essential for the welfare of the building. This is work paid for by the Board. Such overtime shall be paid at one and one-half (1 1/2) times the employee's hourly rate for the time worked over the regularly scheduled forty (40) hour week (hours paid shall be considered hours worked). When an employee is asked to cover another

If the employee does not work for the Shelby City School District for the entire fiscal year following reimbursement, the Board shall be entitled to deduct such amount from any salary payment to be paid to the employee.
 - 4. Each year, the District will notify employees of course work opportunities that may be approved by the Board of Education for reimbursement subject to the cap above.

Compensatory time off shall be allocated on a time and one-half (1 1/2) basis for each overtime hour worked. Compensatory time off shall be scheduled with and approved by the employee's immediate supervisor. Such time shall not be scheduled on a day that will require a substitute to be hired. If arrival at the building is impossible, the employee shall call the Director of Building and Grounds or his designee between 6:30 a.m. and 7:00 a.m.
